

APPLICATION FOR THE TEACH THE TEACHERS COURSE

The ESPEN LLL Programme is gaining its importance amongst various educational projects available for any clinical field. Teach the Teachers for Life Long Learning (T-LLL) programme initiated by ESPEN has already acclaimed its success certifying new teachers to spread the knowledge and education in nutritional care, and also to train professionals from various specialties according to the latest innovative concepts.

You are cordially invited to join the next TLLL course.

The T-LLL course will be given on Sunday, 2nd of September 2018, 08.00-12.00, at the 40th Congress of ESPEN which will be held in Madrid, Spain. To participate in T-LLL course the following applications you have to prepare:

1. Short CV (age of 35 years or more)
2. ESPEN membership for 2018
3. Recommendation from national PEN society that has a block-membership agreement with ESPEN and is part of ESPEN Council
4. Summary of your educational experience
5. Participation in at least in three LLL live courses (please sent the LLL certificates as PDF's with the application)
6. Email and username from your LLL registration

The complete application material has to be sent not later than the 15th of July 2018 to

Prof. Alessandro Laviano, LLL Director: Ill.director2015@gmail.com

Prof. Regina Komsa: rkomsa@gmail.com

Only if you send in all the necessary documents before the deadline you will be considered for the TLLL course!! The acceptance email you will get afterwards. This course has no costs!!

This course will be beneficial for the participants to acquire the skills for teaching in virtual environment as well as by innovative methodologies.

On the completion of the course, the participant will become a teacher for LLL programme in Clinical Nutrition and Metabolism and will be provided by:

- The know-how to carry out the LLL live courses and online training
- The authorization and the support of ESPEN to conduct live courses at national and international events.
- The access to ESPEN LLL training materials from to the Virtual Portal for Teachers of LLL (www.lllnutrition.com/tlll2) and the right to use the educational materials
- The authorization to translate the content of LLL (or part of it) into national language for better dissemination
