APPLICATION FOR

The TEACH THE TEACHERS COURSE

The ESPEN LLL Programme is gaining its importance amongst various educational projects available for any clinical field. Teach the Teachers for Life Long Learning (T-LLL) programme initiated recently by ESPEN has already acclaimed its success certifying new teachers to spread the knowledge and education in nutritional care, and also to train professionals from various specialties according to the latest innovative concepts.

You are cordially invited to join the TLLL course.

T-LLL course will be conducted on Sunday, 10th of September 2017, 08.00-13.00, at the 39th Congress of ESPEN which will be held in Hague, Netherlands.

To participate in T-LLL course the following applications you have to prepare:

1. Short CV
2. ESPEN membership for 2017
3. Recommendation from national PEN society that has a block-membership agreement with ESPEN and is part of ESPEN Council
4. Summary of the educational experience
5. Participation in at **least in three** LLL live courses
6. Age of 35 years
7. Email and username from the LLL registration

The application material has to be sent not later than the 15th of July 2017 to Prof. Miguel Leon Sanz, LLL Director: lll.director2015@gmail.com

Only if you send in all the necessary documents before the deadline you will be accepted for the TLLL!!

This course will be beneficial for the participants to acquire the skills for teaching in virtual environment as well as by innovative methodologies.

On the completion of the course, the participant will become a teacher for LLL programme in Clinical Nutrition and Metabolism and will be provided by:

- The know-how to carry out the LLL live courses and online training
- The authorization and the support of ESPEN to conduct live courses at the national level
- The access to ESPEN LLL training materials from the Virtual Portal for Teachers of LLL (www.lllnutrition.com/tlll2) and the right to use the educational materials
- The authorization to translate the content of LLL (or part of it) into national language for better dissemination

LLL – Directorate: Prof. Miguel Leon Sanz
Prof. Rémy Meier
Prof. Regina Komsa-Penkova
